HINDLEY STREET FOOTPATH PROJECT

We look forward to hearing what you think of the new footpath extension areas being trialled on Hindley Street.

Consultation closes **5:00pm, Thursday, 30 November 2023**

PROJECT INFORMATION

The purpose of the trial is to address safety and amenity issues by increasing the walkable space through selected areas of the street. The approach is to widen the footpath in some areas and alleviate 'pinch points' along the street.

If you are a stakeholder along the street (someone who lives, does business or owns property on the street), please provide any comment you may have.

Background

Three temporary footpath extension areas have been identified in consultation with associated businesses and SAPOL. These footpath extensions will see congested outdoor dining furniture move off the footpaths into extended on-street areas. Each of these areas will be edged with planter boxes to provide safety from passing traffic and to contribute an element of on-street greening with low-level plants.

Providing contact details in a feedback form is optional. However, we ask for this information because we want to know a little more about who you are and how you use the City to ensure we get a higher quality of data to go along with your feedback. The data will help us analyse feedback from specific groups (e.g. age, gender, City users), which in-turn will provide a richer and more valuable response to help Council make decisions.
