Background

Shannon's Adelaide Rally has a history dating back to 1997 and brings 450 rally, rare and exotic cars into the CBD for this annual, free community event.

The 2025 Shannon's Adelaide Rally – Gouger Street Party is a popular, annually recurring event. The proposed road closure is timed to commence from close of Adelaide Central Market trading when traffic volumes are known to reduce.

The 2025 Shannon's Adelaide Rally – Event Finale is a proposed new major event for North Adelaide and will attract many people to the area. If approved, the event will be held on a Sunday afternoon when traffic volumes are expected to be reduced, seeking to minimise traffic and community impacts. The proposed event is timed to align with the opening of Eighty Eight O'Connell.

Under the Local Government Act 1999, public consultation is required for events that propose to alter the purpose of a road, by using a public road for business purposes, and when the road closure would impact traffic to a material degree.

Frequently Asked Questions

How will residents, businesses and stakeholders be notified of this event?

All residents and businesses in the surrounding areas of these events will be notified via a letter box drop organised by the event organiser in the lead up to each event. An event hotline telephone number will be included in the letter, should a member of the public wish to lodge any feedback or concerns during the event.

Will residents and businesses be able to access properties during the events road closures?

Whilst the roads mentioned above will be closed to vehicular traffic, pedestrian access will be maintained with the footpaths kept clear to provide clear access.

In an emergency, vehicle access to Tower Street South, Chapel Street, Tynte Place and Tynte Court roads in North Adelaide will be maintained for the 2025 Shannon's Adelaide Rally – Event Finale in North Adelaide

Will the closures impact parking?

To facilitate the road closures, all the on-street parking spaces on the closed section of the roads would be changed to 'No Stopping (Tow Away)' for the duration of the road closures.
