Temporary Parking Change Sir Edwin Smith Avenue

**Our
Adelaide**

Improving road safety at the intersection of Kermode Street and Sir Edwin Smith Avenue.

We want your feedback on the proposed temporary relocation bus stop 2 and temporary removal of three on street parking spaces on the Western side of Sir Edwin Smith Avenue.

During the COVID-19 pandemic temporary modular treatment unit pods were installed on the roadway on Sir Edwin Smith Avenue outside of the Women's and Children's Hospital to provide additional patient facilities and support. Since then, there has been a significant increase in presentations to the Paediatric Emergency Department necessitating continued use of the pods to manage patient demand effectively. Last year, Council supported a request from the Women's and Children's Hospital to extend the use of these pods until December 2026.

To improve the safety of traffic movement at the intersection of Kermode Street and Sir Edwin Smith Avenue, South Australian Public Transport Authority identified that bus stop 2 needs to be temporarily relocated further south (towards The Memorial Hospital) while the pods remain in place, to allow enough distance for buses to merge into the traffic from the bus stop before reaching the intersection.

To facilitate the relocation of the bus stop Council proposes to implement a temporary parking control for the removal of three on street parking spaces which will be used to temporarily relocate bus stop 2. This temporary parking control alteration would take effect from 14 April 2025 until 31 December 2026.

How do I provide my feedback?

There are a number of ways in which you can provide feedback:

Feedback Form (attached to this information pack)

Online

ouradelaide.sa.gov.au

Contribute your feedback via the **Online Survey**.

Email your comments to ouradelaide@cityofadelaide.com.au.

Written Submissions

All written submissions must be received by 5:00pm, Monday 7 April 2025 and should be delivered to the City of Adelaide Customer Centre, or addressed to:

FAQ

What is a temporary parking control?

A temporary measure to manage parking in a specific area for a limited period of time by changing parking restrictions to keep areas clear and support safe traffic movement at times when the area is being temporarily impacted by construction or events.

What happens next?

All feedback received regarding the impact of the removal of these three parking spaces will be taken into consideration and will be responded to either by email or in writing.

Contact Details (optional)

Providing contact details in a feedback form is optional. However, we ask for this information because we want to know a little more about who you are and how you use the city to ensure we get a higher quality of data to go along with your feedback. The data will help us analyse feedback from specific groups (e.g. age, gender, City users), which in-turn will provide a richer and more valuable response to help Council make decisions.
