We are asking for feedback on the application to grant a temporary closure for a portion of War Memorial Drive for the purpose of the 2025 Beach Volleyball World Championships Adelaide taking place on Friday 14 November to Sunday 23 November 2025.

City of Adelaide has received an application from Volleyball Australia (event organisers) to hold the Beach Volleyball World Championships Adelaide 2025 in a section of War Memorial Drive on Friday 14 November to Sunday 23 November 2025.

To facilitate this activity, it is proposed that the below roads will be closed to vehicles as per the below schedule:

Location	From	To
War Memorial Drive <i>Between the Adelaide Oval loading dock and the entrance to Next Generation Gym</i>	6.00am Thursday 13 November 2025	5.00pm Monday 24 November 2025

To facilitate the road closure, it is proposed that all the on-street parking spaces on the closed section of the roads will be changed to 'No stopping – Tow-Away' for the duration of the road closure.

Pedestrian access will be maintained along the river pedestrian pathway and the site will be fenced.

Background

Under the Local Government Act 1999, the City of Adelaide is required to consult the public before it can grant a permit for an event that requests to use a public road for business purposes, and the said purpose will require whole or partial road closure(s) that may impede the passage of traffic to a material degree.

What are the reasons for the road closure?

Volleyball Australia (event organisers) are seeking to close part of War Memorial Drive from Thursday 13 November 2025 to 24 November 2024 to assist in the facilitation of the 2025 World Beach Volleyball Championships Adelaide. An alternate pedestrian and cyclist pathway will be maintained around the event site. The road closure is needed for safe ingress and egress for the event, the safety for patrons and staff and the community. It is important the event provides a welcoming, inclusive, healthy, and safe environment for all event patrons and staff, and a road closure will be needed to achieve this.

How will stakeholders be notified of this event?

If the event is approved all residents and businesses residing in the surrounding area will be notified of the upcoming event via a letterbox drop organised by the event organiser two weeks prior to the event. Included in the letter will be details of expected noise, road closure details and an event hotline telephone number.

This event hotline telephone number is provided by the event organiser should a member of the public wish to lodge any feedback or concerns during the event.

Additionally, City of Adelaide upload details of upcoming, approved events on its Event Dashboard - <https://www.cityofadelaide.com.au/community/spaces-rooms-venues-to-hire/upcoming-events/>

Who can I contact during the event if I have any concerns regarding the event?

Events are required to provide an event hotline telephone number, should a member of the public wish to lodge any feedback or concerns during the event.

Any member of the public can use the event hotline number to provide their feedback to the event organiser. It is the responsibility of the event organiser to consider all feedback provided and take any necessary actions to remedy the issue. The event hotline phone number will be operated for the duration of the event.

Alternatively, members of the public can contact the City of Adelaide on 8203 7203 to lodge any feedback or concerns.

Would fixed businesses remain accessible during the 2025 Beach Volleyball World Championships Adelaide?

Yes, while the road will be closed to vehicular traffic, pedestrians will still be able to access the businesses on a portion of War Memorial Drive via alternative pathways and the event organisers will ensure walking access to existing premises is maintained.
